Summary

I'm a web designer skilled in crafting intuitive UI and content management. I have two years of professional experience in designing website panel content, and content managing digital optimization assets. Looking to transition my career towards product design and user experience.

Career

AIG (Travel Guard)

New York, NY

Web Designer

October, 2022 - Present

- ❖ Design and content authoring for high priority airline partners.
- ❖ Ran several optimization tests for United Airlines and Spirit Airlines.
